United States Vets, Inc.

VETERANS NEED A VOICE. They want to be heard and have their issues addressed. The lack of services to their needs has created a defeatist attitude among Veterans. Veterans would greatly benefit from a neutral advocacy group that would assist them in meeting their needs. **United States Vets, Inc.** matches Veterans to work one on one, educating them on their rights, help them access services both within the Veterans Administration and the community at-large. Of the over 25 million veterans in the United States, over 12 million are known to need after care services due to maladjustment to civilian life after discharge, medical conditions, mental health issues, drug/alcohol abuse and lack of spiritual strength. Sometimes these needs continue throughout their lifetimes.

George E. Prokos Memorial Educational Fund

George E. Prokos, a Vietnam veteran (Air Force) and Co-Founder of United States Vets, Inc., believed in lifelong learning. This carries on his legacy of advocacy for lifelong learning. In 2016, United States Vets, Inc. initiated a fund to assist military veterans pursuing higher education. \$5,000 will be granted to one veteran each year towards their educational pursuits. Veterans, with their spectacular skills and tools, contribute so much to our society. Hard-working, skilled and educated veterans are valuable resources to our Toledo communities. Your contribution will empower these brave men and women to enhance their quality of life leading to healthy and successful communities in Toledo.

Caper's Restaurant & Bar

When we opened Caper's in 2003 it became our goal to serve wonderful food that was made from scratch and made to order. We do not use any fryers so everything is baked upon ordering. We would love to have you join us for lunch or dinner or even just snacks and cocktails!

This is Caper's 12th annual golf scramble and we are partnering with the United States Vets, Inc. on their 3rd Annual scramble. All of the proceeds will go directly to the George E. Prokos Memorial Educational Fund.

The outing will be held at Heather Downs Country Club and will be followed by prizes and a chicken and rib dinner at Caper's. Please join us this year for a fun day supporting our local Vets!
