Flag Ceremony:

On July 3 at Jocko's Ice Cream (Byrne Road) there was a flag ceremony organized by United States Vets, Inc. The event took place at noon with a color guard from American Legion Post 553 hoisting the flag. The new flag pole was provided by United States Vets, Inc and the pole was installed by Taylor Auto. There was a brief veteran recognition ceremony followed by a free ice cream from Jocko's. If you are looking for a good soft ice cream I highly recommend peach mango.
